Color Variation Disclaimer

Expect final color, color field variation (water marks, casting marks, fibers, aggregate shadows) and shade (lightness-darkness) to vary in most instances. All concrete exhibits variations from cast to cast, therefore samples should be used as a general guideline only when selecting color. Color matches cannot be guaranteed. Variations will range depending on the color selected and availability of raw materials from month to month.

This form must be signed to move your project into production. Please sign below to acknowledge this disclaimer.

X _____ Date: _____

PRINTED NAME: _____

Where was the color seen? Online? Concrete sample? Another project? Other?

Please specify: _____

Who made the final color selection (individual)? _____
